

Birthday Celebrations Pinkerton Elementary

We love to celebrate birthdays at Pinkerton; however, we must limit the amount of educational time that is disrupted for these celebrations. Please adhere to the following guidelines regarding birthday celebrations.

- Birthday celebrations will be limited to the last 15 minutes of the school day.
- Please contact your child's teacher through email ahead of time to determine the day of celebration. Sometimes there are multiple children with the same birthday.
- Please limit food items to something that is easy to serve, such as a cookie cake, cupcakes, or individual cookies. Healthy treats such as fruit kabobs are also a good option.
- Please provide napkins along with the treat. (Plates and forks should not be necessary.)
- Items must be dropped off in the office with child's name and class section on it by lunchtime on the day of the celebration.
- Parents and other visitors are not allowed to go down to the classroom during this time.
- Teachers will pass out the treat during the last 15 minutes of the day.
- Balloons, and other party favors or treat bags are not allowed.

Thank you for understanding and adhering to these requests. Please contact your child's teacher with any questions.

Sincerely,

Pinkerton Staff
